

GLOBAL ENACTION MANIFESTO

For an Eco-Systemic Transformative Wisdom

1. LA REALTÀ

1. LIFE

Life is eco-systemic. Human beings can only live within a biological network, of which they are an integrated and interdependent part

3. IL BENESSERE SOCIALE

3. SOCIAL WELL-BEING

Social well-being requires the combined development of all dimensions of human beings

5. LA VITA SOCIALE

5. SOCIAL LIFE

Social life is based on brotherhood, caring and on reciprocity

7. LE ISTITUZIONI

Institutions have the responsibility to fully stimulate and sustain the development of human beings and guarantee the safeguarding of the environment

2. LE DIMENSIONI DELL'UMANO

2. HUMAN DIMENSIONS

Human dimensions are inseparable and include material, socio-relational, and spiritual aspects

4. LA TECNOLOGIA

4. TECHNOLOGY

Technology must be placed at the service of common well-being and used to help and protect life on Earth

6. L'EDUCAZIONE

6. EDUCATION

Education fosters the full growth of a person and the systemic, ethical and aesthetic understanding of life

8. LA TRASFORMAZIONE

8. TRANSFORMATION

Eco-systemic transformation is achieved through interdependence of thought and action
